Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The

Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on..mouth issued a gentle snore..She did look different She held her chin high, making her seem even taller than she had yesterday.. "Since ... I was a kid." He grinned. So we. Too soon, it seemed, Selene was shouting, "Don't go to sleep, Gordy. It's time to get out." .Dramatization is another. I (like many reviewers) often stage a little play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..Number five bad one door and four windows?identical to the other nine Lorraine assured me. The door had a heavy-duty bolt that couldn't be fastened or unfastened from the outside. The window beside the door didn't open at all and wasn't intended to. The bathroom and kitchen windows cranked out and were tall and skinny, about twenty-four by six. The other living room window, opposite the door, slid upward. The iron bars bolted to the frame were so rusted I doubted if they could be removed without ripping out the whole window. My mother was touring Yucatan at the time, but that was. you'll have plenty of time after dinner." And Brace: "Aw, okay. All cut's in free." And once more they have not found you; your secret place is yours alone.. Four black bearers had appeared, bearing a long black palanquin. They proceeded to set it down directly before the gate. I knew from its length that here was no ordinary wealthy merchant, but I was unprepared for the personage who presently stepped out and stood gazing at the Project with black blazing eyes. Those eyes burned right through Ike and Eli and Dan and me, as though we weren't even there, then swept upward, absorbing the entire Project with a single glance. It dawned on me finally, as I took in the small gold crown nestled in the black ringleted hair, the flared eyebrows, the fierce nostrils and the defiant jaw, that I was looking at the King.. The second meeting is to take place this afternoon. All of us have our fingers crossed.. morning, every morning.. She patted him on the back.

"Sure, I know. You forget, I read your dossier. It mentioned several interesting episodes that I'd like you to tell me about someday, from your 'soldier-of-fortune' days?". The usher continued to hover, smiling, over his chair. Finally Barry realized he was waiting for a tip. Without any idea of what was customary, he gave him a dollar, which seemed to do the trick..steps of the first stage. Ike and I, coming out of our daze, followed him. Not to try and stop him but to."My God!" I could see her feet and, by rolling onto my back, look up at her rising above me toward floor and up the walls, even affected the chairs so that they, too, raged with color and pulsed to ? the time. I am performing stupidly, like an amateur. Gently I bring up two stim balance slides.. "Terrific!" Hollis says. "You could leave an album of greatest hits. You know, for posterity.
