With a crew of satisfied programmers, I feel there is nothing we cannot accomplish..One of the transporters approached the bunker with a steadily rising whine, then hovered motionless for a second almost immediately over him before descending smoothly. Its rear door slid open to reveal the lean, swarthy figure of Captain Sirocco in helmet and battledress, still wearing his flak-vest. He jumped out nimbly while the transporter was still six feet above the ground, and ambled up to Colman. Behind his ample black moustache, the easy-going lines of his face betrayed as little as ever, but his eyes were twinkling. "Pretty good, Steve," he said without preamble as he turned with his hands on his hips to survey the indignant scowls from the captured "enemy" officers standing sullenly by the bunker. "I don't think we'll get any Brownie points for it though. We broke just about every rule in the book." Colman grunted. He hadn't expected much else. Sirocco raised his eyebrows and inclined his head in a way that could have meant anything. David Fowler sat on the stool at the drafting table and began.Tharsis Base sat on a wide ledge about halfway up from the uneven bottom of the Tharsis arm of the Great Rift Valley. The site had been chosen because it was a smooth area, allowing easy access up a gentle slope to the flat plains of the Tharsis Plateau, while at the same time only a kilometer from the valley floor. No one could agree which area was most worthy of study: plains or canyon. So this site had been chosen as a compromise. What it meant was that the exploring parties had to either climb up or go down, because there wasn't a damn thing worth seeing near the camp. Even the exposed layering and its areological records could not be seen without a half-kilometer crawler ride up to the point where Crawford had climbed to watch the sunrise..
